Happy Spring! Hope you all are getting ready for Summer break, there is only 3 weeks of school. I can't hardly believe that the school year is almost over.

Just a few things happening this month: May 3-5 is the Rose Rock Music Festival. We have a booth set up with carnival game, tons of great raffles, silent auction items and bracelets for sale. Come out and see all the great things Noble has to offer and don't forget to stop by our booth!

We are also currently working with Chapman Property Management to find a larger space for us to expand into. God is awesome! He has blessed us with an abundance of clothing so we can help those in our community that need it the most!
