

Community Clothing Closet, inc.

June 2013

501(c)(3)

Volume 2 Issue 3

Summer Break is here, the kids are out of school and Summer is on its way! We are all busy with all of our Summer break activities and a lot of us are still working on spring storm clean-up. We spent 3 ½ weeks out in Little Axe working with their tornado relief center. It was awesome to see so many people come together as a community and work together for the greater good like we should be doing all the time. We met a lot of amazing people from all over the country, all who came to give all they could to the people of Little Axe. It was refreshing to see everybody work together as a team with no other agenda other than to help the people that were effected by the tornado. Thanks to all who supported our efforts!

We are scheduled to open our new shop on August the 3rd at 10am. It is located at 110 W. Broadway, Lexington, OK 73051. Watch for more information as our Grand Opening approaches!
